AWARDS

I got the title of Finlay because i was able to code in short time and enough to code website in the beginning.

Revolution / 2022 / Damak Best Year!

ACHIEVEMENTS

My hope in building the websites.

I was tired of coing the website when i was just beginging to code. After a month i constanly trying to code but it was not enough to achieve it. But i try my best to code and in the long run i finally achieved it.
